

Interim Fence Certification

Standard Plan Subdivisions Only

Project Name (Plat Name): _____

Plan Check No.: _____

Engineering Company Name: _____

Building Permit No.: _____

I, _____, as
Engineer of Record for the above project, certify that on
_____ (date) I performed a site inspection
of the referenced lot, and that *this inspection included the
proposed alignment (field layout) for the fence (including, but not
limited to, the location and size of drainage block openings,
gates, and other related construction)*. Furthermore, I certify
that the proposed improvements will provide adequate and
acceptable drainage in conformance with the original basis of
design for this development, without detrimental effect to this or
any other lot.

(Seal)

City Inspector (Acknowledgement): _____

Date: _____

I, _____, as
Engineer of Record for the above project, certify that on
_____ (date) I performed a site inspection
of the referenced lot, and that *this inspection included the actual
constructed fence, grading, and other related improvements
(including, but not limited to, the location and size of drainage
block openings, gates, etc.)*. Furthermore, I certify that the
improvements as constructed will provide adequate and
acceptable drainage in conformance with the original basis of
design for this development, without detrimental effect to this or
any other lot.

(Seal)

City Inspector (Acknowledgement): _____
